**ORDER SATISFYING ORDERS TO SHOW CAUSE**

On February 17 and 22, 2006, the court issued orders to show cause, requiring Plaintiffs to properly allege both the state of incorporation and the principal place of business of the corporate defendant. Plaintiffs responded by letter on February 22, 2006. Upon review of Plaintiffs' submission, the court concludes that Plaintiffs have properly alleged diversity jurisdiction and that the court's orders to show cause have been satisfied.

SO ORDERED.
